## **Fashion Design 2**

### **Family & Consumer Sciences**

**Course Description** Fashion Design 2 is a semester course teaching the use of a sewing machine to complete projects. After a simple preliminary project, each student will work on projects of his/her choice. There is a lab fee of \$10 (*see below*).

**Students need to purchase & bring fabric, pattern, and notions for 2-3 projects.**

#### **Course Outline (Instructional Units)**

1. Review of basics
2. Small project to practice curves (materials supplied by teacher)
3. Button front shirt
4. Darts
5. Understitching
6. Seam Finishes
7. Easing & Gathering
8. Topstitching
9. Facings
10. Collars
11. Buttonholes
12. Sewing on buttons
13. Hemming

#### **Expectations For Success & Safety**

1. Be seated and ready (pencil and notebook, tote bin, etc.) before late bell.
2. Backpacks must be stowed in the closet upon entering the room for everyone's safety.
3. Be kind and polite to everyone.
4. Listen when the teacher is speaking or it is someone else's turn to speak.
5. Turn in all assignments & projects on time. Late work will not be accepted (except for absences, *see below*). If you need extra time, see Mrs. Zell before you leave class.
6. Keep all returned papers.
7. Be seated at your machine while waiting for the bell after packing up & cleaning.
8. To protect our sewing machines NO gum, food or beverages in the room.
9. Student will be expected to clean up his/her table, machine, & floor each class.
10. **Have project materials to work on by 6<sup>th</sup> class.** (12<sup>th</sup> day of semester)
11. Keep text and evaluation sheet in your table
12. Use only your assigned machine unless you have teacher's verbal permission.
13. Be creative, have fun, try new things.

#### **Make-up work**

Will be posted each class. It is the **student's responsibility** to get & turn in work within 1 week of returning. Extended absences with Dr. note will be handled according to circumstances. Students present in class must turn in daily drill that day to get credit.

**Extra Help** I am usually available for after school help on Thurs. Please make advance arrangements.

#### **Materials**

A lab fee of \$10 to purchase equipment and replace materials used. (pins, needles, shears, etc.)  
*If this presents a hardship please call Mrs. Zell or principal for confidential assistance.*

Students will be expected to have each day:

1. Pencil /pen (blue or black)
2. project materials
3. notebook paper
4. evaluation sheet
5. text

#### **Grading**

**Everyone following the above expectations is guaranteed a 'C' or better on report card!**

Grading will be on a point system, using standard percentages. The first marking period will be approximately:

1. Homework 5% (Most homework will be shopping!)
2. Classwork 35% (Have a project to work on every class by the 3<sup>rd</sup> week)
3. Projects 50%
4. Quarterly Assessment 10%

The Academic Integrity Policy as stated in the Handbook will be enforced.

**I will be emailing progress reports to all parents with permission on file.**

planning 4A 4B

- *Per AACPS regulation, students may redo up to four assessments and/or assignments each quarter. Students are encouraged, but not required, to participate in teacher-led reteaching. All redo items must be completed within ten days of receiving the original grade and may only be redone one time. The higher of the two grades will be used for calculating the student's quarter grade. The teacher may choose to have the student redo all of an assessment or assignment or may have student only redo specific items or parts of the work. Students may not redo homework, daily warm-ups, the quarterly assessment, or a large project. However, students may redo parts of a large project, if graded separately by the teacher, with each part counting as a separate redo. Assessments or assignments due in the last week of the quarter are not eligible.*

**In sewing, a redo will usually include the ripping (removal) of the seam needing improvement. The student will be responsible for the ripping.**
