To Whom It May Concern:

The Washington, D.C. Joint Plumbing Apprentice Committee is now accepting applications for the Apprentice Training Program's 2020/2021 school year. Applicants must apply online at [local5training.org](http://local5training.org). Our application process is open year round, however the school calendar year operates from September through August.

Applicants must be seventeen years of age by the time of application and have either a high school diploma or high school equivalency (GED). Applicants must be eighteen years of age or older when placed at employment. The following documentation/copies must be mailed to the Training Facility at the above address prior to receiving a date for their entry exam:

- Birth Certificate or Passport
- Valid Driver's License or Valid State issued identification card
- High School Diploma or GED Certificate
- Transcript of Grades (sealed school envelope or raised school seal) or GED Test Scores
- If you have a transcript from another country, you must have your embassy verify in writing that it is equivalent to U.S. high school standards.

(NOTE: Applicants may send copies of their documents EXCEPT the official sealed high school transcripts which MUST be the original document.)

Applicants are required to take an entrance exam. There is a \$50.00 non-refundable application fee, which is payable by cash, money order or credit card. If selected for apprenticeship, final acceptance will be contingent on ability to pass a drug and background screening.

We would appreciate your efforts in making this information available to those people interested in participating in our program. Feel free to contact us if you have any questions.

Sincerely,

HAMILTON HUGH RIDDELL  
Training Coordinator
