

WE NEED VOLUNTEERS AT THE HOME OF THE EAGLE.

Northeast High School believes in designing opportunities for community members to be engaged in the lifelong learning process along with students. We value all of our community partners, volunteers, and feedback in our NHS Volunteer Program at Northeast High School.

Volunteer Program Objectives:

- *Contribute to the positive culture of a learning community for academic success and educational growth.*
- *To foster productive relationships between all stakeholders to reinforce skills, interests, and motivate students.*
- *To empower students with various experiences, skills, and volunteer expertise.*
- *To increase efficiency in our classrooms, offices, and extracurricular programs.*

*Note: AACPS requires volunteers/chaperones with unsupervised access to students on or off school property to complete the commercial background check: <https://www.aacps.org/chaperone>
