Connecting You and Your Child to Information on Our Journey to Greatness

The evidence is consistent, positive, and convincing: families have a major influence on their children's achievement. When schools, families, and community groups work together to support learning, children tend to do better in school, stay in school longer, and like school more."

Anne T. Henderson, Karen L. Mapp

February 2017

"Healthy Family" Tip of the Month: Strong Families Promote Emotional Health

Learn effective ways to strengthen your family through positive communication and constructive discipline techniques through these community resources.

The AACCParenting Center

offers "One-on-One," a personalized parenting course. For more information and to schedule sessions: www.aacc.edu/parenting, 410-777-2159, parenting@aacc.edu. Courses also offered in Spanish.

FREE 14-session program for parents and their children ages 6-17. Family meals, fun family games and activities, productive family meetings, and more. Some transportation assistance and childcare is available. www.strengtheningfamiliesprogram.org

Two Programs begin February 6 & 7 in the North County area, and are open to all county residents.
