

April 2019

Dear Northeast High School Senior Parents,

Congratulations!

Your child's graduation is almost here, and our staff shares your excitement for this event. Your student and their class will celebrate their graduation here on campus, and in our community. We also know that this time brings a rush of activity for parents and students. Consequently, we compiled this booklet of useful information to help you prepare for all senior events. Please take the time to review it with your senior.

I would like to extend to you a warm invitation to our 54th Annual Senior Awards program on Thursday, May 16, at 6:30 p.m. This program gives us an opportunity to celebrate seniors who have distinguished themselves during their time at Northeast High School. Parents and seniors are invited to stay for refreshments, hosted by the junior class, immediately following the program.

Finally, all Seniors who achieved summa cum laude status are eligible to apply to be the second student speaker at the graduation ceremony. These students, who submit an application by April 17 will be chosen by a committee made up of faculty, administration, and counselors. The decision of this selection committee is final.

As always, please contact me if you have any questions pertaining to graduation and the information in this packet. Please continue to speak to our seniors about making good decisions as we celebrate all students' achievement of their high school diploma.

We are Northeast,

Jason T. Williams
Principal

Each interested senior who is qualified must write and submit a personal statement of 250 words or less outlining their reason for wanting to speak at graduation; statement should include highlights of the main message they want to communicate to their peers through their speech and why they wish to personally address their class. The principal will designate a team of faculty and staff of three to five members to select the second speaker from the summa cum laude students who apply to speak using guidelines established by AACPS Board of Education. Applications must be submitted to Ms. Pam Allen, Principal's Secretary, in the main office, by Wednesday, April 17.
